Delisting of Global Natural Resources Holding AG in liquidation

The Regulatory Board of SIX Swiss Exchange decided on 11 May 2011 to delist the shares of Global Natural Resources Holding AG in liquidation.

The company has not had an auditor since mid-2010. Furthermore, bankruptcy proceedings were initiated on 7 April 2011. The prerequisites for maintaining a listing in accordance with the Stock Exchange Act and Listing Rules are thus no longer met.

The final day of trading of the company's bearer shares has been set as 16 September 2011. If the company is deleted from the commercial register before this date, the delisting will take place upon deletion. Due to initiated bankruptcy proceedings, the Regulatory Board considers that an off-Exchange trading cannot be ensured. For this reason, the company has been granted an exemption regarding the obligation to ensure off-Exchange trading following delisting.

Further information and the legal basis concerning the prerequisites for listing on SIX Swiss Exchange are available via the following link:
