I General provisions

Art. 1 Object

This Directive governs the principles of cancelling the listing of collective investment schemes (delisting).

Art. 2 Scope of applicability

¹ This Directive applies to all collective investment schemes, the units or shares ("units") of which are listed on SIX Swiss Exchange Ltd ("SIX Swiss Exchange").

² The following are deemed to be collective investment schemes within the meaning of this Directive:

1. domestic collective investment schemes which are licensed or approved by the Swiss Financial Market Supervisory Authority FINMA ("FINMA"), in accordance with the Federal Act of 23 June 2006 on Collective Investment Schemes (Collective Investment Schemes Act, CISA), in conjunction with the Ordinance on Collective Investment Schemes of 22 November 2006 (Collective Investment Schemes Ordinance, CISO), and are subject to FINMA supervision ("domestic collective investment schemes"), and
2. foreign collective investment schemes which have been approved by FINMA for distribution in Switzerland or from Switzerland in accordance with the CISA ("foreign collective investment schemes").

³ This Directive applies mutatis mutandis to the delisting of subfunds and unit classes at the request of the issuer, owing to liquidation (dissolution), a merger, or the cessation of distribution, or owing to the withdrawal of FINMA approval.

⁴ Collective investment schemes for which a fixed term has already been determined and published upon listing are exempted from these provisions, unless they are to be delisted before the end of that fixed term.

⁵ In response to a substantiated request, the Regulatory Board of SIX Swiss Exchange may grant exemptions from the periods laid down in this Directive, in particular on the basis of imperative legal provisions, for example.
